Professional Growth

All certified personnel in the district are subject to the requirements set forth in state statutes to demonstrate professional growth.

A local committee shall draft the Professional Growth plan for the district and shall be responsible to monitor the status of the certified employees in the district in meeting the requirements as set forth in the plan. The status of employees shall be reviewed annually by the committee, records maintained, and the Superintendent notified of those employees who may be out of compliance with the professional growth requirement.

The Superintendent shall be responsible for the actions necessary to be taken in the event an employee falls out of compliance with the Professional Growth plan.

The Professional Growth plan shall become part of the Board Policy manual, being included as Board Policy 401.07.
