

Student Transfers and Withdrawals

All students who transfer to another school district or withdraw for any reason shall formally clear withdrawal/transfer through the office of the principal of the building as per procedures set forth by the building administration.

It is required that in the event of any transfer/withdrawal by a student, that all financial obligations be paid and that any property owned by the school held by the student be returned prior to student records release. This shall also apply in the event of any other obligations that are the responsibility of the student.
