

Release of Directory Information

The policy of the Kimball Public Schools shall be that no directory information pertaining to students shall be released without the expressed written authorization as outlined in Board Policy 506.1 and the Administrative Procedures as outlined in 506.2.

The only exception to this policy is in the release of roster information to schools with which the Kimball Public Schools compete as part of the district's activity/athletic program. For purposes of this provision of the policy, roster information shall be limited to name, grade, position information, height, and weight.
