

School Calendar

The Superintendent of Schools shall present school calendar proposals each year to the Board of Education for the board's consideration in adopting the school calendar for the following school year.

The calendar proposals presented to the board shall meet all statutory requirements as set forth by Nebraska State Statutes and Department of Education regulations, and should include recommendations concerning the starting and ending time for the school day.

The Superintendent is encouraged to solicit the input and recommendations from teachers and administrators during the process of developing the calendar proposals that will be presented to the board.
