Annual Budgeting

The Superintendent shall annually develop the district budget based upon the needs and resources of the district, and according to statutory and Dept. of Education forms and guidelines.

A requisitioning process utilizing staff input shall be submitted to the Superintendent by the building principals to assist in the developing of the budget.

The publication and adoption of the budget and its supporting documents shall be done in accordance with state law and Department of Education guidelines.

Adopted: December 13, 1999
