Materials/Supplies and Fees

Supplies, materials, and textbooks shall generally be provided for students in the Kimball Public Schools without charge. However, in certain elective classes and/or school activities students may be assessed fees to cover costs, including but not necessarily limited to, participation, rental of equipment, and for materials used to produce items of personal or financial value.

Students will be held responsible for any damage to and/or cost of replacing any materials, supplies, or textbooks, which are lost or damaged through negligent use of them.
