

Fund Raisers

Schools and organizations within schools that wish to do fund raising activities shall be allowed to do so only after receiving expressed approval from the Activities Director and/or the building principal. The Activities Director/building principal in making a determination as to approve the fund raising activity shall consider the following:

1. What is the purpose for raising the funds
2. Could the funds legitimately be provided through the district's General Fund budget of expenditures
3. What, if any, will be the effect upon the local business community and parents if the fund raising project is approved
4. What other considerations/benefits can be derived from such a fund raising activity

Adopted: February 14, 2000
