BUS SAFETY PROGRAM

The superintendent shall direct the preparation of a Safe Pupil Transportation Guidelines that, at a minimum, shall address weapons, pupil behavior, terrorist threats, severe weather, hazardous materials, medical emergencies, and driver/passenger procedures in the event of mechanical breakdowns of the vehicle.

The superintendent shall plan and implement a safety-training program for pupil transportation vehicle operators and vehicle passengers. The superintendent shall monitor the scheduling of inservice and educational opportunities for transportation personnel to improve their awareness and skills regarding pupil transportation vehicle safety. Pupil transportation vehicle operators shall attend local workshops and all inservice meetings.

Administrative rules and regulations shall be adopted to govern the safe operation of pupil transportation vehicle. Students violating these regulations may have their riding privileges revoked or suspended. Parents will be responsible for damage done to transportation vehicles or equipment by their children.

The school district shall conduct pupil transportation vehicle safe riding practices instruction and emergency safety drills at least twice a year for students who utilize school district transportation. The emergency evacuation drill procedures should be conducted according to guidelines established by the Nebraska Department of Education.

Each pupil transportation vehicle shall have, in addition to the regular emergency safety drill, a plan for helping those students who require special assistance to safety during an emergency. This shall include, but not be limited to, students with disabilities.

Pupil transportation vehicle drivers are required to attend each safety drill.

All transportation vehicles shall be acquired and maintained to meet or exceed NDE Minimum Equipment Standards for pupil transportation vehicles. The superintendent shall develop a systematic preventive maintenance program including daily, weekly, monthly, and annual schedules to insure vehicle safety and reliability. This will include a record keeping system for maintaining inspection reports along with procedures for filing reports and certifications to meet requirements of the Nebraska Department of Education.
